

2040 Transportation Master Plan

Keep Kelowna Vibrant | Keep Kelowna Moving

The draft 2040 Transportation Master Plan has set ambitious targets we can all work together to achieve:

The plan recommends actions across six categories:

Maintain and renew existing infrastructure

Achieve fast and reliable transit

Improve road connections

Invest in education, programs and emerging technologies

Create walkable neighbourhoods

Develop safe and connected bicycle routes

Kelowna residents and businesses helped shape the 2040 Transportation Master Plan through participation in:

5 major public engagements 

Over 3,000 survey responses 

Over 12,000 community touchpoints
